not exceeding five years, the age limit will not apply."

The above provision shall be deemed to have come into effect from 29th May 1953.

By Order and in the name of the Rajpramukh,

4132

Dated 8th September 1953.

No. Fl. (B) 6439—C.R. 4-53-29. In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India, the Rajpramukh of Mysore is pleased to make the following further amendments to the Mysore Service Regulations, namely :—

In the said Regulation, the following shall be added as Article 214 A, namely—

"214A.—A temporary Government servant in superior or inferior service suffering from leprosy may be allowed extraordinary leave to the same extent and on the same conditions as to a temporary officer suffering from Tuberculosis as indicated in Article 214.

The grant of such leave will, however, be subject to the production of a certificate from the Medical Officer in charge of a recognised Leprosy Institution where the patient is undergoing treatment or from a Medical Officer or a Specialist in Leprosy recognised as such by Government."

By Order and in the name of the Rajpramukh,

4133

Dated 18th September 1953.

No. Fl. (B) 7238—C.R. 4-53-31. In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India, the Rajpramukh of Mysore is pleased to make the following further amendments to the Mysore Services Regulations, namely,—

In the said Regulations, in Appendix 'H', the following shall be added, namely,—

"42. The Director of Archæology."

By Order and in the name of the Rajpramukh,

4357

Dated 23rd September 1953.

From

The Secretary to the Government of Mysore,
Finance Department.

To

The Collector,
Treasury Department,
Bellary.

Sir,

Subject.—Changes in treasury procedure in Bellary District (excluding Adoni, Alur and Rayadurg taluks) with effect from 1st October 1953.

No. Fl. (R) 3375. I am directed to request that the following instructions be caused to be observed by the treasuries passing to the administrative control of the Government of Mysore with effect from 1st October 1953 :—

(*a*) A list of the officers of Mysore and Andhra States authorised to draw Establishment, Travelling Allowance, Contingent and supply bills and cheques on the treasuries on and after 1st October 1953 will be arranged to be furnished to you by the Accountants General concerned so as to reach you before 1st October 1953.

(*b*) Other claims including those of Gazetted Officers and pensioners may be paid as before with reference to the authorisations on record at the treasuries concerned.

(*c*) The bills may be encashed at the treasuries after the usual scrutiny and with reference to the rules of the Government concerned.

(*d*) Revenue and Receipts remitted to the treasuries may be accepted irrespective of the Government to which they relate.

(*e*) Payments debitable to Mysore State will be classified under the relevant service, debt or remittance head in the State Section. A similar procedure will be followed in the case of revenue and receipts creditable to that State. Receipts and payments on behalf of other States including Andhra and Madras States should be classified under the Suspense head "Inter-State Suspense" in the State Section.

(*f*) Central transactions will be conducted at the treasuries as heretofore unaffected by the change. Transactions adjustable by other than the Accountant General, Mysore, should however be classified under the remittance head concerned.

(*g*) The District Treasury will render its accounts for September 1953 for the composite district to the Accountant General, Madras. The accounts of October 1953 and onwards will be rendered to the Accountant General, Mysore, Bangalore. The Collector/Deputy Commissioner will however continue to comply with the requirements of the Accountant General, Madras, in respect of the trasactions of the composite district prior to October 1953.

(*h*) The transactions of the treasuries during October 1953 may be classified and compiled at the District Treasury as at present. The first and second lists of payments may also be prepared as heretofore but in the Mysore Forms and sent to the Accountant General, Mysore, Bangalore. The transactions under Service and Capital heads need not however be classified under minor and detailed heads as is being done at present. In the monthly account to be sent to the Accountant General, Mysore, (printed forms of which will be supplied to the treasury separately) only totals by major heads may be shown in the case of such heads. Information of the several returns to be rendered to the Accountant General and the due dates thereof can be seen on a reference to the Mysore Treasury Code, copy of which will be supplied to you shortly.

(*i*) In regard to the claims against Government of the composite District coming up for settlement after 30th September 1953 the debit should be taken to the Mysore State only if the liability is specifically attributable to areas transferred to the control of the State. In other cases the debit will be taken against the State concerned under the Suspense head "Inter-State Suspense" doubtful cases being referred to this Government, in the Finance Department for a decision.

(*j*) The changes in classification to be adopted in the treasury accounts in the State section on and after 1st October 1953 will be intimated shortly. The Taluk and District Treasuries may be instructed to see that the revised classifications are noted correctly on all challans and bills relating to Mysore Government Departments. The relevant entries on challans and vouchers may be attested by the treasury Head Accountant in token thereof during October 1953.

(*k*) In regard to day to day record of treasury transactions, the following changes will come into force in the District and Taluk Treasuries from *1st November 1953* :—

In lieu of the present arrangement of having separate subsidiary registers for a few important transactions and the day book in respect of others, subsidiary registers will be written up for all transactions—one for each major head in the case of Revenue and Service heads and one for each head in the case of Debt and Remittance heads.

The daily totals from the subsidiary registers will pass into the cash book either directly or through a register of daily totals. All the subsidiary registers will be written up with carbon so that the copies to be sent to the Accountant General and the Departmental Officers may get ready simultaneously. Action is being taken to train half a dozen officials of the District Treasury at the State Huzur Treasury, Bangalore, in October 1953 so as to enable the Mysore Treasury procedure being introduced in Bellary District completely with effect from 1st November 1953.

(*l*) In matters not specifically provided for in this or other circulars, the existing procedure may be followed; but in doubtful cases a reference may be made to the Finance Department of this Government if clarification cannot be obtained from the rules given in the Mysore Financial Code Volume-I or the Mysore Treasury Code.

(*m*) The Director, Government Printing, Stationery and Publications, is being requested to supply the stationery, forms, registers and the Copies of the Codes required for the use of treasuries before 26th September 1953.

Yours faithfully,

N. MADHAVA RAO,
Secretary to Government,
Finance Department.
